A number of video presentations demonstrates an interface of IP Quality Monitor Management system (IQMM).

Choose appropriate section from list for viewing or type "All pages".

[Download all videos in one archive \(28M\).](#)

Interface basic elements:

{flv}IQM/IQMM-00{/flv}

Control policy configuration:

{flv}IQM/IQMM-01-Config{/flv}

Statistics, SLA monitoring:

{flv}IQM/IQMM-02-Monitoring{/flv}
